Dear Mr. Johnson:

On behalf of the Midwest Traffic Conference Program Committee, we would like to sincerely thank you again for your participation as a speaker at this year's conference. Your efforts helped make the conference a success.

The Conference Committee worked very hard to significantly enhance this conference and give it a Midwest regional focus. As we move forward with the program, we know we have set a high standard thanks in part to your help.

Again, thanks for helping make the conference a success.
